 "Not by might, nor by power, but by my spirit, saith the Lord of hosts," is the Golden Text from Zechariah in the Sunday Lesson. Sermon on "Spirit" in all Churches of Christ, Scientist.
 As Jesus was teaching the multitudes, it is related in Luke's Gospel "men brought in a bed a man when was taken with a palsy; and they went upon the housetop and let him down through the tiles with his couch into the midst before Jesus. And when he saw their faith, he said unto him, 'Thy sins are forgiven thee.' The Pharisees and doctors of the law who were sitting by "began to reason saying, Who can forgive sins, but God alone?" Jesus then is told "perceived their thoughts," and said "Whether is easier, to say, 'Thy sins be forgiven thee; or to say, 'Rise up and walk?' But that ye may know and walk on the man hath power upon earth to forgive sins, (he said unto the sick of the palsy,) I say unto thee, Arise, and take up thy couch and go into thine house, and immediately he rose up before them, and took up that whereon he lay, and departed to his own house glorifying God."
 Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "Spirit blesses man but man cannot tell whence it cometh." By it the sick are healed the sorrowing are comforted, the sinning are reformed. These are the effects of one universal God: the invisible good dwelling in eternal Science."

Union Pacific Lengthens

PASSENGER TRAIN SCHEDULES Effective Feb. 15, 1943

Let's get serious about this job of winning the war. Vast quantities of war materials and thousands of troops are now being transported by rail. To better and more efficiently move the ever-increasing production of essential materials and supplies, Union Pacific is voluntarily reducing the speed of its regular passenger trains. Civilians who find it necessary to travel will willingly adjust themselves to slightly longer schedules during the duration; to somewhat less travel comfort if conditions so require. **Our Nation's welfare must come first.**
